Please contact Penny Berry at (801) 538-5291 or by e-mail at [bondcoordinator@utah.gov](mailto:bondcoordinator@utah.gov) for assistance in completing this requirement. She can also provide the reclamation contract form.

Please submit the reclamation surety and reclamation contract within the next 30 days. No mining related disturbance may be created until the surety is received and approved and you have received written acceptance from this office as well as other applicable agencies. The Division has received clearance from the State Historic Preservation Office for this project. While additional cultural resource studies are not required, you are encouraged to report any cultural/historic artifacts that you find.
